Dear Pastor or Youth Leader:

We have enclosed the youth camp promotional and registration forms for the Thousand Hills Baptist Association youth camp which we hold in cooperation with the Linn-Livingston Baptist Association. Would you please share this promotional flyer and registration/info forms with any teens and youth leaders in your church? You may duplicate any of the documents. And if you would post the flyer in your youth Sunday school room or the entryway of your church? We will also be sending digital versions of all of these documents which you can easily share and use in your announcements, PowerPoint slides, etc. Thanks for helping promote this youth camp.

The camp is Tuesday, May 31 to Saturday, June 4 and it is at Grand Oaks Baptist Assembly just northwest of Chillicothe. The campers may arrive at 2 PM on Tuesday, May 31. The camp is located at 9463 Hwy 190, Chillicothe. Registration is held at the dining lodge in the center of the campground.

The cost is \$120 per camper or camp staff member. If there is a financial need, please contact the association office and arrangements for a 50% scholarship may be arranged.

Pastor Shawn Hughes of Harvest Bible Church, Dawn, will be the camp pastor. HLGU students will help with worship, drama and as cabin leaders. It is always a good time at Grand Oaks (they have a really nice pool and lots of fun recreation options).

If some of the youth leaders in your church would like to volunteer to be cabin leaders, that is much appreciated. There are registration forms for them also. And they need to fill out the consent to do a background check, unless they have a current version on file with the association office. There is a training session for the camp staff at 11 AM on May 31 and they should arrange to attend that session and have someone else drop off the campers at the proper time.

The registration deadline is due Friday, May 6 at 3 PM. Forms and payments may be mailed to the Linn-Livingston Baptist Association office in Meadville or (if preferred) mailed to or dropped off at the Thousand Hills Baptist Association office, located at 1701 Jamison, Kirksville MO 63501. If dropping off forms and payments, please phone ahead to make sure the director of missions is in the office (660-342-7658). Make checks to Linn-Livingston Baptist Association or LLBA.

Please share this info with the teens in your church (those who have completed grades 6 through 12). Note 6th graders can attend youth camp or children's camp (or both if they prefer). There will be more information sent along by e-mail later on. God bless and we hope to see many of your teens at youth camp this summer.

In Christ,

Bob Crump, THBA camp coordinator
