Walter Griffen presented the Worship/ Fellowship report. He stated he had nothing new to report at the time. Walter encouraged pastors to attend the monthly luncheon. Sometimes there is a guest speaker. It's a time pastors can encourage one another.

Richard gave the Evangelism/Missions report. Richard stated that BJ's father passed away. Pray for BJ during this time. Richard stated that BJ attempted to get a mission trip together this summer but was not able to. Richard encouraged anyone that is attending this year state fair to stop by the Evangelism tent on August 19. Richard stated usually 50 people stop by the tent a year. This team shall be composed of seven pastors from within the association and shall be appointed by the leadership council. This Revitalization team shall be appointed by the 2021 THBA annual meeting and shall present a strategy to the association no later than the July 2022 Executive Board meeting. Motion carried.

Respectfully submitted,

Anna Leftwich

Director of Missions Report

Richard Nations, DOM

I have been wanting to use Psalm 121:1 as a theme verse for the association annual meeting for a few years. When I found that the King James Version used the term "hills" instead of "mountains" (the term used in the modern versions), I decided we needed to celebrate "hills" in the Thousand Hills Baptist Association. I preached this text a few weeks back and made the point that the "hills" or "mountains" are awesome sights that remind us of God. We lift up our eyes to the hills to look to God for help.

Our association is trying to point people to God. Today we come together to celebrate our joint cooperative ministries where we help people come into a relationship with the Lord.

Recently our association helped sponsor the Baptist tent (state fair ministry) in Sedalia where 35 people received Christ. One teenage boy got saved and then brought his younger brother back to the tent later to have him hear the Gospel and be saved.

Camps were back on this year. I am very pleased with our camp team and the effort they put into the summer camps at Grand Oaks. And Grand Oaks Baptist Assembly is a great place as well.

VBS training went well this year and churches used both this year and last year's curriculums. I was pleased to see so many children again learning about God in their church VBS experiences.

Our association is in the process of raising funds and purchasing/outfitting an evangelistic block party trailer. Without much effort at all we have raised \$7,500 of the \$9,000 that will be needed. We are now looking for the trailer and then will begin outfitting it. If churches or individuals would like to donate to this effort, please let us know?

NEMO Cowboy Church and First Baptist Francophone (both are church plants in Kirksville) continue to reach out to specific people groups that are unique. We assist these two church plants as often as possible with encouragement and financial assistance.

We have so many volunteers who help this association do the work for the Lord and we thank you for those hours of time and effort. Pastors are welcome to come together for lunch each month in Kirksville and sometimes I gather groups of pastors in different counties for a lunch or coffee.

I am always glad to come to your church and tell about missions in the association or help you with some project. If I can preach for your church or serve as interim pastor, I'm glad to fill that role.

Thanks for everything THBA.

Obviously it was a slow year for workshops and training events this year. We will hope for better results next year.

The Northeast Missouri Pastors and Wives Retreat will be held at Calvary Baptist Church, Hannibal on Friday and Saturday, October 1-2. The speaker is Pastor Kevin Collins, Omaha Baptist Church, Unionville. Sessions for the wives will be led by Melody Satterwhite, wife of the DOM of Mt. Salem/Wyaconda and Pleasant Grove Baptist Associations in Kahoka. The theme is "Life is Hard, But God is Good." They invite pastors and wives to take a break from the action and go to Hannibal for a weekend retreat with teaching and fellowship with fellow pastors and wives in northeast Missouri. The cost of this conference is underwritten to a large extent by the associations of northeast Missouri and the Missouri Baptist Convention. The conference fee is \$15 per couple and for the first 25 couples to register the lodging is provided at the Comfort Inn and Suites in Hannibal. Take a few days and refresh your souls. Registration is due by September 27th at the Bethel Baptist Association. We will distribute some flyers at this annual meeting to pastors in the association.

The associations of northeast Missouri and the Missouri Baptist Convention will be holding a Sunday School, Small Groups and Evangelism Workshop on Saturday, October 30th at First Baptist Church, Shelbina. This is intended to provide training for Sunday school teachers, small group leaders and anyone interested in evangelism and outreach in their communities. A website and prayer process called "Bless Every Home" will be featured. Brad Bennett and Brent Longnecker from the Missouri Baptist Convention Making Disciples Group will be the leaders of this workshop. More information will be distributed at this annual meeting.

Another workshop on the drawing board will be a workshop we've offered before called "Money Management for Christian Leaders." We will discuss church budgets and financial procedures as well as opportunities for Christians to become better money managers and Christian stewards. That will be scheduled in the spring of the year.

Thanks for your support of Church Development efforts in the THBA.

Worship/Fellowship Report

Walter Griffen, Coordinator

Just when you thought it was safe to go back into the water the ominous music of COVID19 (remember JAWS?) begins to play in our ears. Churches who were beginning to recover from the effects and confusion of last year's pandemic are finding themselves dealing with the same confusion, conspiracies, debates, and utter nonsense of it all. Enter the Ministry Department of Worship and Fellowship. Now more than ever we need each other! We are indeed, "Better Together," and I feel we need to be challenged to step up and shore up the ministries of our dwindling congregations. We have the resources, we have the dollars, we have the people. The question remains do we have the willingness? I think so. I pray so! But that effort needs to be better organized. It is amazing to me that we give several thousand dollars to send folks on mission for a three day Bible School across a continent while there are churches right here in our own association we could be assisting in various areas of ministry. I am continuing to put together a list of those resources that could be draw upon or provide support for some meaningful partnerships right here. We continue to host a monthly Pastor's Luncheon and would encourage you to attend those. Iron sharpens iron. And I will continue to work to assist you, as I am able, in the areas of Fellowship and Worship. Thank you for allowing me to serve you and I look forward to working with you in the coming year.

Evangelism/Missions Report

B. J. McAlpin, Coordinator

Although we were restricted at times by the pandemic, our association made additional overtures with our cooperative partnerships in Montana, Wisconsin, and those in our state late this spring to connect with possible mission opportunities. Unfortunately, the demand for participation in mission efforts among churches in our state and other states was high, and the opportunities were very few. Groups from all over our state and nation were competing for the same opportunities that were presented to us. After making initial contact and even additional follow up on our part, the few mission opportunities presented to us were given to other groups from around our state. However, we will be conferring again in the fall with our ministry contacts in Montana and Wisconsin regarding mission opportunities for the 2022 calendar year.

This past month on Thursday, August 19, a group from our association went to the state fair to participate in sharing the gospel with fair goers from around our state. We had several people to sit down and listen to our testimonies and the presentation of the gospel. We had many good conversations and planted many seeds in the lives of those who sat down with us.

In church planting, we want to thank Joel Kabamba and Tom Rowland for their continued work in our association. Joel is serving First Baptist Francophone. It is a Congolese church plant supported by First Baptist Church Kirksville. Tom is the pastor of NEMO Cowboy Church, which is an outreach to western culture of our area that meets at the Kirksville Livestock Market. It is supported by Hartford Baptist Church. We want to thank these pastors and churches for the work they are doing to reach the lost for Jesus in our association area. We are also in the planning stages of surveying communities within our association area to consider where we can initiate a Bible study needed to start a new church.

VBS Report

Bobbie Bansal, Coordinator

This year more churches in our association decided to implement an in-person Vacation Bible School and kids were ready! We praise God for His guidance and His strength as we navigate through these challenging times. Our THBA VBS team attended the Missouri Baptist Convention Training Conference in Chillicothe, MO on March 1, 2021. We all gained valuable tools and information, including COVID considerations, that equipped us for the association's training conference on April 24, 2021. Our early conference this year for VBS Directors and Pastors took place on Saturday, March 6 at Fellowship Baptist Church. There were 11 people present, with four churches represented.

We had a wonderful Association Training team who worked very hard this year at preparing for our conference; we covered both Concrete & Cranes and Designation Dig curriculum, teaching ideas, and decorations this year. We had 42 people present with 7 churches represented. I want to recognize our Training team for their willingness to serve and pray through this season:

Richard Nations, Thousand Hills Baptist Association Director of Missions

Bobbie Bansal, VBS Coordinator and Concrete & Cranes Revies

Amber Lash, Preschool VBS and Crafts

Kelly Williams, Children's VBS

Sunshine Williams, VBX

Kabir Bansal, Adult VBS and Children & Salvation
Karen McClaskey, Concrete & Cranes decorations
Billy & Sherry Pippin, Snacks
Walter Griffin, Missions
Rachel Nations, Safety at VBS

Continue to pray for God's blessings on the upcoming THBA VBS Training Team as they begin to prepare for VBS 2022 and the training conferences offered by THBA! What a fun and exciting way to share the Lord and His love with our communities! The LifeWay VBS theme for 2022 is: *Spark Studios: Created in Christ – Designed for God's Purposes*. Kids will learn that God's creativity didn't stop in Genesis. The Master Artist is working to redeem, reclaim, and transform us—His creation—to the design He planned for us. Kids will see the beautiful truth that they are God's workmanship as they learn to use their talents to bring glory to Him. Key Verse: Ephesians 2:10 - *For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.*

Dates to put on your calendars:

March 5, 2022: Early Clinic at Fellowship Baptist Church from 10a-12p for VBS Directors and Pastors

April 16, 2022: VBS Training Conference at First Baptist Church (KV) from 9a-12p for entire VBS team.

Camp Team Report

Bob Crump, Coordinator

Wow! Another year has come to pass and unfortunately another summer of dealing with covid. All praise to God as we seem to be on the road to recovery and have been able to serve him through our camps at Grand Oaks.

We kicked off the summer with our Youth camp. We share our youth camp with the Linn/Livingston Association, and we all gathered at Grand Oaks the week of June 7-11. There were 54 Youth in camp. We had 21 week long workers and around 30 volunteers in and out of camp cooking and teaching. The message of "Our Identity in Christ" was the camp theme and was preached by Pastor Phil Bray and taught in various Bible studies throughout the week. Over-all we had a blessed, God filled week along with some good fun in his creation.

The "Intro to Camp" was postponed till next year due to the various issues with covid.

We will finish up the year with Children's camp. We will all gather at Grand Oaks July 26-30. The camp theme will be "Jesus is" The camp Pastor will be Ben Austic. All preaching and teaching are a curriculum based on the theme. It is looking like we will have 51 children in camp along with approximately 20 staff. I know God has great things in store for us this year in Children's camp. I will be giving a further update today on all camps. Due to some time restraints, this report was written just before we actually attended Children's camp.

I would like to take this opportunity to thank all of our camp team with a special "shout out" to Cindi Glenn, our Children's camp director. I would also like to thank the 1000 Hills Association for the opportunity to serve our Lord and Savior.

Baptist Student Union

Greg Xander

Thank you so much 1000 Hills Baptist Association for your loving hearts as you continually pour into all of us here at the BSU. I am so grateful!!

The worldwide pandemic, which was also a worldwide panic, actually created some spaces where we were able to be a voice of hope that we had not previously been invited into. We are so grateful for the chance to be faithful for Him this past year. We want to live by faith, be known by love, and be a voice of hope...in the wilderness here. A huge goal for us was to be sensitive to our students needs and to our campus's needs so we would be a community of HIs where people would run to, not from.

- Having a weekly small group to address real questions students are asking such as topics of equality, and abortion and the future; and we then would follow up with this format during our weekly worship nights. And from this we had really positive feedback from students; and one girl actually started coming and has been coming to everything since then and has been in weekly conversations with us still to this month about Jesus and God.

- We allowed groups to use our facility, with guidelines in place and saw one huge sorority engage with us and became impacted by our service to encourage them and leave them snacks. They were so moved that all 30+ members wrote handwritten notes to the BSU expressing gratefulness, some expressing thankfulness for our witness as believers.

- We became a place people run to...so much that our Italian friend (we did not know him before last summer) was guided to find us and connect from his friends as he expressed interest in God in a huge way; and the crazy thing is his friends did not even go to BSU at all. Wow God! How you are blessing what we have been doing for months and years, to impact others who do not even come, but who are telling their friend to come. And he ended up giving his life to Jesus a few weeks after connecting and having several conversations around Jesus and His mission.

- And a girl who graduated and still has not decided if God is someone she loves, not likes; she brought one of her friends to our house and we hung out. And this girl told us she specifically brought her because she knows her friend is not active in her faith from growing up Catholic, and she wanted her friend to connect to us because of how much we have helped her grow in her understanding so far of who God is now. Wow God, this girl who doesn't trust you, is bringing her friend and hoping she will grow in truly knowing you, like she has been doing. Wow God!

- To end, our cheerleaders have been struggling with no games to cheer at, or to have official practices, but we were able to keep influencing them; being invited into their private banquet; having several conversations with one of them regarding his gay lifestyle and his desire to connect to God again, and in getting to meet weekly thru spring and summer with the cheer coach and her husband himself to talk about God and faith. He has not trusted Jesus with his life yet, and in 10 years has never wanted to go to church, until now. We are so excited to see what God continues to do in their hearts and so grateful he would choose to use this building and community even as we are for sure a mess, but just trying to be less of a mess in HIM.

Missouri Baptist Convention

Executive Board Staff Reports

Collegiate Ministries

Gene Austin, Director

What a year! But God was still at work in students' lives on campuses around Missouri. Our metro area campuses were, for the most part, shut down due to Covid-19. These restrictions dramatically changed the way our campus missionaries did ministry. They used social media, Zoom, and word of mouth to engage students with the gospel and help them grow in Christ. Campuses in smaller communities also were affected but generally had fewer restrictions. Even in these locations, campus missionaries used creative ways to reach and disciple students.

Even with all the restrictions, the gospel was presented 900 more times than the previous year, and 188 students and others received Christ. The number of students mentored and discipled increased by 160, and those involved in leadership training went up by 60. There were 60 percent more students engaged in evangelism and 167 percent more involved in summer and semester missions.

Two new initiatives have begun. We now have formal agreements with HLGU and MBU with a campus missionary on each campus. SBU also is considering a partnership. In addition, we held meetings in Springfield and Kansas City with church-based college ministries. Feedback indicates a desire for more connection with each other and an opportunity to learn and grow.

Buildings

The MBC partnered with local associations, alumni, and friends of the Baptist Student Union in Rolla for a remodel of the facility. There is now new carpet, a stained floor in the large room, fresh paint, inside and outside lighting, and a repaved parking lot. Together, Baptists can accomplish more, and this makeover of the BSU facility is another example. We celebrate with an open house on homecoming weekend.

In Springfield, Hood Rich Architecture completed the drawings for a multi-purpose building near the Missouri State University campus. Integrity Development acquired the bids, and the fundraising committee raised the money to begin the MSU building project.

God is faithful, and His timing is always perfect. This project provides stable income and presence for the ministry to campuses in Springfield. We envision thousands of students impacted with the gospel and even more as they move out into the world on mission. We are humbled to be part of this great work of God.

Developing Leaders

Jim Misloski, Director

The Developing Leaders Group transforms lives and communities by helping associations and churches multiply leaders who minister to and through others in every sphere of influence for God's glory.

The Developing Leaders Group, along with the other MBC ministry groups, attempted to contact every MBC church during the Covid-19 pandemic, and provide assistance and

resources to help MBC associations and church leaders adjust ministry practices and glorify God during the crisis.

The Resound Network effectively engaged all four levels of Baptist life (local church, association, state, and national partners) to work together in their complementary lanes to achieve the common goal of church revitalization. The Developing Leaders Group worked alongside the other MBC directors this year to develop similar approaches in Making Disciples, Multiplying Churches, Collegiate Ministries, and Cooperative Program giving. Consultant Bob Bickford, who was instrumental in the architecture of the Resound Network, has been enlisted to coach the directors in each area. This new initiative is already garnering improvements, such as the renegotiated partnership between MBC and NAMB in church planting.

Through mobaptist.com/helpforleaders, the Developing Leaders Group has helped 12 church leaders or church leader couples secure counseling. The partnership with StandingStone has ministered to or is ministering to 17 ministry couples in MBC churches. Helpforleaders is a new initiative in the Developing Leaders Group spurred by Executive Board action. It is committed to helping MBC church leaders get well, live well, and finish well.

Brandon Moore, Church Revitalization & Replanting

Prayerfully seeking a movement of God, the Resound Network has mobilized leaders across Missouri to catalyze revitalization and replanting through partnerships in a variety of contexts. The network focuses on three priorities: equipping leaders, engaging churches, and encouraging multiplication.

The Resound Network Summit hosted 50 pastors and directors of missions (DOMs) for equipping as revitalizers and consultants, and launched a second Summer Cohort with 10 participants, six of whom are receiving credit through Midwestern Baptist Theological Seminary. DOMs from across the state received training from Bill Henard and Resound Network leaders during their annual DOM Conference. Rob Peters with Corpus trained five leaders in the Refocus process to help churches clarify their vision, mission, and strategy. Peters also trained 15 leaders as coaches for pastors across Missouri.

The Resound Network hosted its first annual panel at the MBC annual meeting, during which 60 pastors and lay leaders were introduced to the network's process to help churches pursue revitalization or replanting. Ten churches have embraced recommendations to revitalize, replant, or repurpose. Also, five churches have engaged the first Refocus Intensive. Lastly, to encourage multiplication, the network developed the Partner Profile Tool that helps healthy churches consider and pursue the right kind of partnership for them.

Gaylon Moss, Disaster Relief

Missouri Baptist Disaster Relief (MODR) transforms lives and communities with the gospel by bringing help, hope, and healing. Churches participate in MODR by praying, giving, and going. MODR helps churches by providing leadership, discipleship, and sending opportunities. MODR is a platform for ministry.

Cleanup teams served in Colorado to help homeowners affected by a scorching fire. By the end of summer 2021, at least nine teams were expected to participate. In addition, volunteers distributed approximately 100,000 pounds of USDA food (meat, dairy, produce) to those affected by Covid-19.

Hurricane Laura devastated Louisiana, where MODR managed one of three major sites. Thirteen salvations were recorded. Hurricane Delta struck the Lafayette area, where MODR volunteers prepared approximately 23,000 hot meals for survivors. DR collegiate interns traveled to North Carolina to help with Hurricane Florence (2018) rebuild efforts. The collegiate disaster relief internship program grew to 14 participants – highest level ever.

A *derecho* struck Iowa, and MODR volunteers helped homeowners with cleanup. Unprecedented flooding in St. Joseph, Mo., gave MODR volunteers opportunities to share the gospel and clean up 80 homes.

An Oklahoma ice storm, several smaller wind events, and a flood provided MODR with an average of one response every four weeks over the last 12 months.

Don Hinkle, *The Pathway*

The Pathway set another circulation record this past year, approaching 30,000 subscribers, making it the fourth largest paid circulation newspaper in Missouri. Additionally, more than 40,000 Missourians visited *The Pathway* website over the past year, along with another 10,000-plus coming from other states and nations. Estimated total readership of *The Pathway* has topped 100,000, with 60,000 due to the print edition. *The Pathway* is read in 115 countries.

In April, *The Pathway's* Associate Editor Dr. Ben Hawkins won a writing award for news from the Evangelical Press Association. Copies of *The Pathway* are sent to missionaries around the world. In addition, the newspaper is in three state prison libraries, the Missouri State Capitol, and is provided to every member of the Missouri General Assembly and statewide officeholder. It is also provided to the presidents of every Southern Baptist Convention (SBC) entity and to members of the SBC Executive Committee.

Don Hinkle completed his 19th year as the only editor *The Pathway* has ever had. It has become a nationally respected publication for espousing a biblical worldview approach to journalism.

The Pathway is made possible at no cost to subscribers through the support of Missouri Baptists to the Cooperative Program.

Business Services & Properties Management

Samantha Spencer, Controller

The Business Services Group is the Cooperative Program's entry portal for the MBC. The group accounts for all church receipts and allocates the monies to the appropriate ministries and missions. The receipts processed by Business Services for the year ending Dec. 31, 2020 are as follows:

Cooperative Program \$14,628,637	Rheubin L. South Missouri Missions Offering \$ 736,628
Lottie Moon Offering \$ 4,009,756	Annie Armstrong Offering \$ 1,717,980

Auditors issued a clean audit opinion for the year ending December 31, 2020.

Gene Foster, Church Benefits Specialist

Church Benefits Specialist Gene Foster assisted many Missouri Baptists with individual needs such as retirement options and applications. And he helped church finance, personnel, and pastor search committees with payroll tax questions, retirement plan set up, and church compensation and financial issues.

Paula Earls, Human Resources & Special Projects Coordinator

Paula Earls, the MBC's human resource and special projects coordinator, administered the MBC retirement plan, property and casualty insurance policy, personnel policies, and benefits.

Over the past year, she has completed insurance applications, assisted with claim requests, responded to insurance-coverage questions, and more.

Earls' other work included organizing several statewide meetings such as the MBC Annual Meeting and Minister's Retreats. She also serves as the point person for leases for the MBC, and additionally assists with various other special projects.

Brooks Crawford, Properties Management Specialist

The Properties Management staff maintains the Jefferson City convention building, High Point Road Conference Center, Disaster Relief warehouse, six BSU buildings, and the MBC fleet of vehicles and trailers.

The staff serves by cleaning, setting up for meetings, conducting light construction, and doing repairs and regular maintenance at these locations.

Staff members are working to update/renovate most parts of the Baptist Building, with the third, fourth, fifth, sixth, and seventh floors completed.

Spencer Hutson, Liaison/Strategic Partners

Spencer Hutson has served as liaison to Missouri Baptist associations. Due to Covid-19 restrictions, he began regular Zoom calls with directors of missions to discuss the governor's conference calls with members of the clergy, how to navigate shut downs, social distancing, and online worship. Out of this, we formed working relationships with DOMs across the state sharing ideas and solving problems together that didn't exist before. These calls have continued on a monthly basis with great participation.

Hutson, who now works with Baptist Homes, continues to serve as a contract worker with the MBC under the framework of the Leadership Development team and alongside Brandon Moore. In addition, he works with the DOM Fellowship and assists in planning DOM conferences in the spring and fall. He also assists churches with facilities needs and stewardship ministry.

Cheryl Stahlman, Missouri WMU Executive Director/Consultant
Abigail Moore, Missouri WMU Age Level Consultant
Cheryl Stahlman, Missouri WMU myMISSION Consultant

Missouri Woman's Missionary Union has been amazed at God's faithfulness this past year and all that He has allowed us to be a part of as we lived out Hebrews 10:39, sharing the love of Jesus and making disciples on mission for Him.

This year, Teri Broeker retired as preschool/children/student mission consultant, and we added three new positions: children's mission consultant with Abigail Moore; R.A./Challenger consultant with Travis Webb; and student mission consultant with Sarah Schmitt.

Over the last year, MWMU has accomplished our mission in many ways. Many of our groups had to figure out new ways to meet, and how to meet the needs of those in their communities. This included providing food, clothing, and encouragement through collection and distribution ministries. They also made and sent encouragement gifts to essential workers around the state, and ministered to IMB missionaries who were stateside because of the pandemic. We still had new MWMU groups started. All our groups learned and prayed about what God is doing around the world, from Washington, D.C., to South Asia.

Missouri Prayerways continues to impact our International Mission Board and North American Mission Board missionaries from Missouri. They know their state is praying for them.

MWMU's partnership with MBC campus missionaries has grown this year, with groups adopting 15 college campus ministries. Those mission groups are helping with meals, prayer, collections of supplies for college students, offering encouragement, and more.

The staff and students involved in Spurgeon College's Fusion program were impacted with the love and encouragement of Jesus through MWMU groups and individuals adopting their students and sending notes of encouragement, and providing some of their needs as they prepared to go overseas to hard places to share the gospel this past summer.

R.A. Congress was held in April with more than 150 participating in sports activities, archery, pine cars, mission run, and more. They were challenged by missionaries and collected items for the Missouri Baptist Children's Home.

Our three offerings met or exceeded their goals this year, with MMO at \$736,628, Lottie Moon at \$4,009,756, and Annie Armstrong at \$2,012,104. This is great news as we partner together to make disciples for Christ.

Making Disciples

Brad Bennett, Director

The Making Disciples Group's (MDG) overarching objective is to assist Missouri Baptists in developing biblical strategies and processes to make disciples who make disciples. Our area of expertise includes evangelism and age-graded ministries such as children, students, and Sunday school.

The group continues to develop the LIFE initiative, which includes LIFE outreach events that equip Missouri Baptists in disciple making and invite people to know Christ as Lord and Savior.

In the last year, the group held numerous evangelism and discipleship equipping events.

Super Summer Camp

In June 2021, the MDG hosted two sessions of Super Summer at Hannibal-LaGrange University. One hundred and seventy-four attended session one, and 195 joined the second session. Many students surrendered their lives to Christ.

Youth Evangelism Conference (YEC)

In December 2020, a youth evangelism weekend was held at Second Baptist Church in Springfield. Ninety-five students attended in person; 275 attending virtually. YEC was held to inspire, instruct, and encourage students to share their faith.

Vacation Bible School

Christy Nance continues to serve as state VBS coordinator to oversee VBS training for associational VBS directors and their teams. The MBC held four associational trainings in 2021, with 134 in attendance.

Missouri Children's Ministers' Retreat

In November 2020, the MDG held a minister's retreat for children's ministry leaders. The event featured training sessions, along with time to relax and recharge. Sixteen attended.

Kids Min Lab

Over the past year, the MDG has held six Kids Min Lab equipping events. Experts in the field of children's ministry invested in 49 Missouri Baptist children's ministry leaders.

Ministry Support & Apologetics

Rob Phillips, Director

The Ministry Support & Apologetics Group provides the state missionary staff with creative services, media and technology support, and assistance with the staging and production of MBC events.

Creative Services promotes the Cooperative Program through ads, videos, articles, and social media, partnering with MBC entities to show the value of our cooperative ministries. The group also promotes the Missouri Missions Offering, producing print and electronic resources that show the impact of 24 mission projects across the state.

Creative Services continues to improve the speed and functionality of the MBC's website; add features to proprietary apps; expand the role of video in MBC ministries; and keep the convention's presence on social media one of the most active among SBC state conventions.

Creative Services recently released a new apologetics resource, *What Every Christian Should Know About Satan*, through the MBC's High Street Press.

In Media, Technology & Events, the staff continues to improve the speed and reliability of information networks, enhance the convention's database, increase participation in the Annual Church Profile, and lower the cost of IT services.

MT&E also provides audio-visual and set design support for all major MBC events.

Multiplying Churches

Rick Hedger, Director

The Multiplying Churches Group focuses on transforming lives and communities with the gospel in Missouri, across the U.S., and around the world. From May 2020 through April 2021, funded church plants shared the gospel 6,752 times. They saw 72 baptized, averaged 43 in weekly worship, gave \$54,622 to the Cooperative Program, \$17,713 to associations, \$5,266 to state missions, \$3,567 to Annie Armstrong, and \$2,549 to Lottie Moon.

Missouri Baptists saw 26 commit to serve as missionaries through the IMB. Grateful for those called to serve on the mission field through the IMB, Missouri Baptists still pray that God will send 100 individuals from MBC churches to serve around the world by the end of 2025.

Though Covid-19 kept most Missouri Baptists from serving in missions internationally the past year, more than 55 MBC churches have expressed interest in connecting in Montana to advance the gospel. Exciting days are ahead in Minnesota and Wisconsin as we remain in partnership together.

These are historic days as MBC and NAMB have agreed to a new partnership. NAMB's Send Missouri funded church planting and the MBC's organic disciple-making church planting strategies have just begun.

Strategic Partners Reports

Missouri Baptist Children's Home

Russell Martin, President and Treasurer

"Missouri Baptist Children's Home is committed to serving God by responding to the needs of children, youth and families to make a lasting difference in their lives."

Approximately 93 percent of all ministries were provided in community-based programs, rather than on a residential campus.

In 2020, MBCH touched the lives of 2,935 children and families. One hundred thirty-three children found loving, forever families.

Thirty-eight youth were served in therapeutic group homes.

Three hundred forty-eight mothers and babies were served through pregnancy services provided by MBCH and The LIGHT House.

One hundred thirty-nine children were in treatment family care homes, and 405 children and youth were in family foster homes. MBCH maintained 332 foster/adoptive and/or relative/kinship homes.

Fifteen young women were served through the human trafficking rescue ministry.

Transitional living programs in Bridgeton, Springfield, and Mt. Vernon served 45 young people as they prepared to leave foster care and become independent.

Sixteen adults with developmental disabilities received care at Country Haven or The Branches at Brookline.

The Counseling Center provided services to 110 clients. Six hundred seventy-six people were trained in Stewards of Children sexual abuse prevention.

There were four professions of faith by children served in residential programs of MBCH.

Baptist Homes & Healthcare Ministries

Rodney A. Harrison, President and CEO

This year the Ashland campus staff dedicated new residential (independent living) apartments on the same day they broke ground for the new continuum of care facility. That event illustrates the pace of ministry taking place. Many of these changes are reflected in our new name: Baptist Homes & Healthcare Ministries.

New construction, and the acquisition of existing facilities crippled by the coronavirus, are fueling growth. The plan, which has been bathed in prayer, is to turn these underperforming nursing homes into vibrant senior communities. These additions will double the number of residents served at all levels of care.

Hospice will soon be provided under the Baptist Homes umbrella of ministries. Providing Christlike, compassionate care during the final season of one's earthly journey is in perfect alignment with the values established in 1913 by BHHM Founder Dr. Milford Riggs.

The corporate office in the Baptist Building in Jefferson City is under 2.5 hours from each campus and is an ideal location to advocate for the sanctity of life "until natural death" (BFM 2000).

Finally, the cooperative spirit Missouri Baptists envision is alive and well at BHHM! From the financial management provided by the Missouri Baptist Foundation to the unique partnerships with the Missouri Baptist Children's Home and MBC universities, BHHM is proud to be part of the Missouri Baptist Convention family of entities.

Christian Life Commission

Timothy Faber, Chairman

A godless culture continues to present challenges to God's people and to God's church. While the Scriptures speak of our liberty in Christ, when it comes to issues such as the sanctity of human life, foster care and adoption, human trafficking, traditional/biblical marriage and families, and gambling, Missouri Baptists have spoken clearly and forthrightly. The Christian Life Commission seeks to communicate the position espoused in Scripture and repeatedly affirmed by Missouri Baptists in regard to each of these issues.

To this end we have once again been sponsoring the "Unlocking Biblical Truth" conferences at various locations throughout the state. These had been suspended since February 2020 due to Covid-19 but are once again occurring.

We also partnered with Concord Baptist Church in Jefferson City to sponsor the Legislative Prayer Breakfast. This is an annual event to encourage our state's elected officials by praying for them and admonishing them to be true to biblical values.

We also serve as the public policy advocates for the churches of the MBC and file amicus briefs for legal cases related to the issues enumerated above.

The commission is developing a website (mbccl.com) to provide both news and resources for our churches regarding biblical issues in our culture.

Missouri Baptist Foundation

Neil Franks, President and Treasurer

The Missouri Baptist Foundation (MBF) has seen tremendous growth over the last year, due in large part to partnerships with Missouri Baptists. Here are just a few highlights:

MBF reoriented its investment pools around biblical themes and frameworks, offering a Kingdom Fund for long-term investing, a Harvest Fund for mid-term investment, and a Storehouse Fund helping maximize gain in these low-interest days to help churches grow their resources.

The Foundation also added a new level of positive screening to its investments. MBF always sought to screen out morally objectionable investments, specifically seeking to avoid gambling, pornography, alcohol, tobacco, and abortion. This year, the Foundation is making morally positive investments in causes such as cures for schizophrenia and muscular dystrophy.

The MBF also is making investments in Midwest farmland and preserving old church buildings in Kansas City. In addition, the Foundation has screened out investments in China, Russia, Saudi Arabia, and other nations that engage in religious persecution.

The Foundation also invested in people. This year, the MBF is sponsoring more than 50 pastors to complete Financial Peace University, providing various scholarships across the state, and sponsoring almost a dozen students from MBC-affiliated churches to tour Israel.

Historical Commission

David Updegrave, Chairman

The commission met at First Baptist Church of Jackson and continued the meeting at Old Bethel. After reviewing a record number of scholarship applicants' papers, three students were awarded \$2,000 scholarships, one from each Missouri Baptist university. The recipients are: Gabe Gard, Hannibal-LaGrange University; Rebekah Haas, Missouri Baptist University; and Delaney Sawyer, Southwest Baptist University. Three additional students earned honorable mentions for their papers – Madyson Brown, Hannibal-LaGrange University; Katelyn Hunziker, Southwest Baptist University; and Sarah Johnson, Southwest Baptist University.

At Old Bethel, plans for access for handicapped visitors were shared and photos were shown of the work and development of the property. The restrooms were nearly completed and the grounds and building are a sight to behold. Old Bethel is an incredible asset as it preserves history and reminds us of the importance of

missions outreach in an ever-changing world. Policies and procedures are being updated for Old Bethel and a new mission statement for the Historical Commission.

Commissioners are writing articles for *The Pathway* about the three MBC higher education institutions, as well as Midwestern Baptist Theological Seminary (Spurgeon College). The articles are designed to inspire more people to engage with these schools, recruit students, give funds to support, and attend events they sponsor.

Higher Education Institution Reports

Hannibal-LaGrange University

Dr. Anthony Allen, President

Hannibal-LaGrange University is committed to the primary task of Christian higher education, which is to help students learn to think Christianly — that is, to approach every issue of life with the intent to understand, evaluate, and respond in a manner consistent with normative biblical teaching. Our highest commitment as an academic institution is the desire to educate students to love God with their heart, soul, and mind. Students who enter the university receive a high-quality Christian education that seeks to integrate faith and learning as well as equipping students with a biblical worldview. Our prayer is that once students receive an education, they are able to serve Christ in meaningful ways through their vocations and the church.

Two important executive staff positions were filled this year. Dr. Robert Matz will serve as vice president for academic affairs, and professor of preaching and theology. Tad Wingo joins the executive cabinet as vice president for enrollment management and marketing.

We covet your prayers for our work in higher education. The past 18 months have been filled with many challenges due to the Covid-19 outbreak. God has been good to us this year even though we still feel the effects of Covid. Through these challenges, the Lord has provided for us, kept our students, faculty, and staff safe. We have had a strong year financially.

Southwest Baptist University

Brad Johnson, Ed.D., Interim President

Amidst the challenges presented by the Covid-19 pandemic, the faculty and staff of Southwest Baptist University made many adjustments to facilities and procedures for in-person classes during the 2020-21 year.

Students were not able to travel to international locations for mission trips, but many transitioned to missions within the U.S. to continue living out the Great Commission by sharing the gospel.

The Master of Arts in Christian Ministry degree now has six concentrations and is available to complete online, with just two weeks of on-campus classes required. Christian Ministry is a new concentration available for Master of Business Administration students.

New Global Education degrees for elementary or middle school certification are part of the SBU Global initiative. Students will explore intercultural studies and complete the student-teaching semester abroad.

Other new degrees being launched include Cybersecurity Management, a Cultural Studies concentration within Christian Ministry, and a minor in Agriculture. SBU added articulation agreements in education and business with a local community college.

The first cohort of the nursing degree on the Bolivar campus graduated in May. Nursing degrees are available on three SBU campuses, making SBU one of the leading nurse education institutions in the state.

Missouri Baptist University

Dr. Keith Ross, President

Despite a season of unprecedented challenges, Missouri Baptist University continued to be a light and source of hope for students and the community this past year.

The university successfully navigated the effects of the Covid-19 pandemic, developing and executing a comprehensive university-wide safety plan while continuing to offer the on-campus experience so many MBU students desired.

MBU continues to launch in-demand academic programs and partnerships. This past year, MBU received approval from the Higher Learning Commission to offer an online Master of Science in Nursing program, which includes tracks in Family Nurse Practitioner, Executive Leadership and Nurse Educator. The MSN, which helps meet a growing need in the healthcare industry, is set to begin this fall.

The university continues to pursue strategic partnerships with organizations in an effort to meet workforce needs. This past year, the university developed agreements with Southern Baptist seminaries, allowing MBU alumni to enter into the Master of Divinity program with advanced standing. The university developed several other partnerships with organizations and corporations, including the Missouri Baptist Children's Home and BJC HealthCare.

Along with enhanced dining options and a new food service provider, both the MBU Dining Hall and The Perk coffeehouse underwent renovations.
